Who had owned it? What had they done?

The Smith family had never owned a car until they bought their first automobile in 1906. Before they bought it, they had only used horses and a buggy for transportation. They had never owned anything so expensive before they bought the car.

The Smith family was very excited about their automobile. The children had never ridden in an automobile before their parents purchased the car. They had only seen a few automobiles when they went to town for supplies. But nobody they knew had ever owned an automobile before that day. They felt very lucky.

Where had I gone? What had I done? What had I seen?

I had never seen such beautiful sights before I visited Paris in 2012. I had saved money for 5 years before I booked my trip to Paris. I was very excited! Before my trip to Paris, I had never been out of the United States.

When I went to Paris, I spent many days touring the city. The city was big. Sometimes I got lost and asked for directions. I asked for directions in French. That was easy because I had studied French for 2 years before I visited Paris.

By the time I left Paris, I had toured many beautiful places. The Eiffel Tower, Notre Dame Cathedral, and Luxembourg Gardens were just a few of the places I saw. Before I visited Paris, I had only seen those places on television.
