✓A CAMPING TRIP

Make groups of four or five classmates, you have to write what you will need to prepare for a camping trip. Discuss what role you will play in preparation for the trip using the simple future or going to future. For example, one person might say, ***'I'll collect the firewood.' so I will need…*** Tell the class what is your role into the group, what will you need for making your duties into the camping group and when ***(the moment)*** will you plan to do your camping trip duties.
